Cette bibliographie thématique et chronologique souligne la présence d'anthologies, de catalogues d'exposition, de rapports ainsi que d'autres monographies dans la collection d'Artexpte traitant de l'art autochtone – surtout dans le contexte du Canada. Les citations proviennent d'une recherche à partir d'e-artexpte (e-artexpte.ca) le catalogue en ligne d'Artexpte, en utilisant les mots clés suivants :

« aborigène », « Amérindien », « autochtone », « Indien », « indigène », « Inuit », « Métis » et « Premières nations ».

--

This thematic and chronological bibliography highlights the presence of anthologies, exhibition catalogues, reports and other monographic publications in the Artexpte collection that look at aboriginal art – primarily within a Canadian context. The citations are drawn from Artexpte's online catalogue e-artexpte (e-artexpte.ca) using search terms such as:

“aboriginal”, “Amerindian”, “First Nations”, “Indian”, “indigenous”, “Inuit” and “Métis”.

This bibliography includes more than 400 citations. The list is not exhaustive, but it features a large majority of our publications on the subject. The bibliography is also interactive in the sense that each title in a citation serves as a hyperlink to its corresponding record in e-artexpte.
